

# J Sainsbury plc

We employ over 189,000 colleagues who work hard every day to make our customers' lives easier and to provide them with great products, quality and service whenever and wherever it is convenient for them.

## Food

Our strategic focus is to help everyone eat better. Through the combination of our supermarket, convenience and groceries online offerings, we ensure that customers are able to access great value, high quality products in the way that suits them, when it suits them. We continue to invest in range, price, service and quality, both in our own label offer, but also working with a broad variety of exciting brands to differentiate our offer. We are using space innovatively in our larger supermarkets by working with selected concession partners to maximise our use of space and help make Sainsbury's an attractive retail destination.

## General Merchandise & Clothing

We are one of the largest general merchandise and clothing retailers in the UK, offering a wide range of products across our Argos, Tu, Sainsbury's Home and Habitat brands, in stores and online. Since acquiring Argos in September 2016, we have rapidly integrated the business, realising significant synergies. The cutting-edge supply chain and fulfilment model of Argos means we are strongly positioned to serve our customers' whenever and wherever they want. Offering high street style at supermarket prices has made Tu clothing very popular with our customers. We are strongly positioned in womenswear and childrenswear.

## Financial Services

Financial Services are an integral part of our business, representing another opportunity for the group to offer a full range of services to our customers. Sainsbury's Bank & Argos Financial Services, together, offer accessible products such as credit cards, insurance, travel money, and personal loans that reward loyalty.
